

# The Wentworth Road **Lockdown** Quiz!

twitter  @bayhorsequiz

There are three connection rounds. Clues given live one at a time on WhatsApp.  
Write the answers down on this sheet or elsewhere but please DO NOT post them!

However... the answers in each round have a connection. As soon as you know what the connection is, post it in CAPS e.g. "THINGS THAT FLY" or "STRIPES" or whatever. Please only post one connection answer per round (so get your guess right first time!). Answers and connection winner will be given after each round. ONE POINT for each correct answer plus THREE POINTS for getting the connection first.

You'll be marking your own answers so ya gotta be honest! No prizes, just feel smug.
